---

For Medical Assistance (MA) clients who are eligible for either Part A or Part B of Medicare, the Michigan MA Program will provide complementary reimbursement (in the form of deductibles and coinsurance) for any service covered by the Part of the Medicare Program to which the client is entitled, even if such a service is not ordinarily provided under the Michigan MA Program.

Reimbursement for the coinsurance and deductible under Medicare will be based on the state's liability for Medicare cost-sharing as defined in Section 1902(n), 42 U.S.C. 1396(a)(n) of the Social Security Act. The Michigan MA Program will reimburse Medicare coinsurance and/or deductibles up to an amount that, when combined with the Medicare payment and any other third party liability payment, will not exceed the MA maximum fee screen.

This methodology applies to all Medicare Part B services except for electric wheelchairs. Medicaid will follow the procedures contained in Section 3006(B)(C) of the Medicare Carrier's Manual.
